A Guide To My Services & Prices

Dog Walking from £8.00

There are two types of dog walking I offer, a 30 minute walk or an hour walk, this is for a group of dogs or may include my own. Please contact me if you have a dog who cannot be walked in a group and this can be arranged. I offer very early morning walks to late afternoon walks.

I walk dogs in a variety of places. Most tend to be around the surrounding area of Chinley, longer walks are over Kinder Scout. During each walk I play games and interact with each dog, recapping or teaching new commands, giving them individual attention, care, hugs and affection.

All new dogs are walked on lead until I am sure that their recall is adequate and I have your consent. Training leads can also be used. But we will discuss each stage and update you on your dog.

Puppy/Elderly Dog Visits from £7

One to one visits for puppies and elderly dogs. It's important for puppies as they need letting out, and interaction and stimulation. Elderly dogs may require medication which can be administrated by myself under your agreement.

Pet Sitting from £5

While you are away on holiday or working, I can care for your cats, small animals or livestock. I will visit your animals at your home, giving your pet cuddles and attention. I will fill food and water. Change litter tray or clean out and play games.

For fish care I can check and change filter and do water changes or water testing. Whilst I am at your home, I can also water plants, tidy up post or any other small tasks, just ask. I can make your home look more lived in by turning on and off lights and closing/opening curtains.

House Sitting from £30

For even more peace of mind that your pet is being cared for and your home is

secure, I offer a house sitting service where I spend the day and sleep over. Included in this are daily duties such as opening curtains, bringing in post, general cleaning ensuring your house is as clean as you left.

Equine Services from £20
